Education

NRI Institute Of Science Technology , B.Tech in CSE	July 2021 – March 2025
• GPA: 7.1/10	
• Coursework: Computer Science and Engineering	
Amrita Sai Institute Of Technology , Diploma in EEE	May 2019 – June 2021
• GPA: 6.6/10	
• Coursework: Electrical and Electronics Engineering	
LHR Govt high school , 10TH	March 2016 – April 2019
• GPA: 6.0/10	
• Coursework: SSC	

Projects

Synchronized clock	github.com/22KN5A6302/Clock
• A Synchronized Clock project is a system that ensures multiple clocks remain synchronized across devices or locations using a central server. This project demonstrates principles of distributed systems, real-time communication, and time synchronization.	
• Tools Used: HTML	
Malware Detection Tool	2023
• Developed a File-less Malware detecting tool	
• Tools Used: Machine Learning	
Technologies Used	
• HTML, CSS, JavaScript	
• Microsoft SQL Server	

Technical Skills

Languages: Java, HTML, CSS, Bootstrap, Javascript

Software: Microsoft SQL Server, Interface Builder

Strengths

- Time Management
- Multitasking
- Work Under Pressure

Hobbies

- Reading non-fictional stories
- photography and video editing
- Physical fitness and mental wellness
